ABOUT THE CONFERENCE

The Archaeology Channel Conference on Cultural Heritage Media, organized by Archaeological Legacy Institute (ALI), invites interested parties to gather for the discussion of audiovisual media in the study, preservation and promotion of cultural heritage. We wish to focus on topics of interest to cultural heritage professionals, media professionals and all those interested in applications of cultural heritage media. TAC Conference is held as a part of the eighteenth annual edition of ***The Archaeology Channel*** International Film Festival, a juried competition in the cultural heritage film genre and a celebration of cultural heritage media.

A central activity at the Conference is the exchange of ideas through formal presentations, symposia and forums. We encourage participation in this manner from all quarters. The Conference is an opportunity for you to share your perspectives on the uses of audiovisual media for the study, preservation and promotion of cultural heritage. Your contribution will further the development of cultural heritage media as a strong and positive influence for people everywhere.
