

TAC Tour of Scotland & the Isles 2026

**An Educational Tour
Designed for ALL and Led by
*The Prehistory Guys***

BROUGHT TO YOU BY

TOUR DATES: SEPTEMBER 17 - 27, 2026

**MICHAEL
BOTT**

Meet your expert guides!

In 2008, our tour guides Michael Bott and Rupert Soskin released *Standing with Stones*, the only comprehensive film overview of the megalithic monuments of the British Isles. This remarkable feature-length documentary film and book take the viewer on a journey of discovery, revealing the true extent and variety of megalithic Ireland and Britain.

SOSKIN**

THE TOUR AT A GLANCE

Days 1-2: The major sites of Orkney, including the Standing Stones of Stenness and the chambered cairns of Maeshowe and Cuween, with a special visit to the Ness of Brodgar.

Days 3-5: Mainland sites including the Grey Cairns of Camster, the Hill O' Stanes, and the many sites of Kilmarten Glen. Gorgeous seaside lodgings in Crinan.

Day 6: A leisurely & picturesque ferry ride through the Sound of Mull to the Outer Hebrides.

Days 7-9: Two days to explore the Uists, then another ferry to the Isles of Lewis and Harris to the remains of Dun Carloway Broch and the unforgettable stones of Callanish.
